

Consortium of Curriculum Leaders

2007-2008 Book Study Project

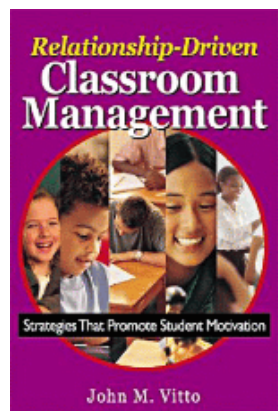

Francis Marion
University

Special Invitation!

Are you a Center of Excellence Partner District Instructional Coach, Curriculum Coordinator, or do you serve in a similar role? This project is especially designed for YOU!

One of the most important factors impacting a teacher's effectiveness is the ability to develop positive relationships with students. Under the direction of Dr. Lorin Anderson, the Consortium of Curriculum Leaders Project will conduct a book study of ***Relationship-Driven Classroom Management: Strategies That Promote Student Motivation*** by John Vitto. This book provides educators with essential strategies for managing and motivating even the most resistant students with a focus on practical ideas that educators can apply immediately to the classroom.

The book study will be held 8:30am-10:00am at the Pee Dee Education Center on the following dates:

Date	Chapters
Sept. 24	Introduction
Oct. 30	Chapters 1-3
Nov. 27	Chapters 4-5
Jan. 22	Chapters 6-7
Feb. 19	Chapters 8-10

Each participant will receive a free copy of ***Relationship-Driven Classroom Management***. During every session attendees will actively participate in group discussions that focus on the importance of each chapter and its application in our schools. ***All participants will receive recertification hours and have the opportunity to present at the Center of Excellence Spring 2008 Saturday Workshop and the Summer 2008 Institute.***

MARK YOUR CALENDARS!

John Vitto, an author, parent, special educator, and psychologist, will be the keynote speaker at the COE Summer Conference scheduled for June 2008.

If you are interested in participating in the Consortium book study, please email the COE at COE@fmarion.edu

If you have questions, please contact the COE office at 843-669-3391 x 28 or the Consortium Liaison, Ada Harper at 843-398-2241.
